To Whom it May Concern,

I need a comfort letter (or phase 2 assessment) regarding the listed property in the subject line. This property is considered a browns field area due to industrial production from over 100 years ago. I'm applying for a refinance on this location and the bank said I needed a comfort letter or phase 2 assessment that I should have received in 1993. They're the one's who explained that at one point there was industrial production in the are. The loan cannot be processed until I receive this letter, so I'd appreciate your prompt attention. Have a Merry Christmas!

Thank you,

Steve Herbster
